

FAQ Document – TechMart Product Lineup (Part 1)

1. General Product Questions

Q1. What product categories does TechMart offer?

TechMart offers a structured product ecosystem across multiple categories:

- Laptops (Ultrabook, Business, Gaming, Premium)
- Smartphones (Mid-range to Flagship)
- Tablets (Student and Professional use)
- Smartwatches (Fitness and Smart variants)
- Audio products (Earbuds and Speakers)
- Accessories (Chargers, docks, peripherals, cables)
- Home Electronics (Smart security and automation devices)

All products are designed with integrated ecosystem compatibility where applicable.

Q2. Are all products covered under warranty?

Yes. All products come with a standard manufacturer warranty.

- Laptops: 24–36 months depending on model
- Smartphones: 12 months
- Tablets: 12 months
- Smartwatches: 12 months
- Audio products: 12 months
- Accessories: 6–12 months (some excluded like laptop sleeves)
- Home electronics: 12–24 months

Warranty coverage depends strictly on product category and model type.

Q3. What is not covered under warranty?

Warranty does not cover:

- Physical or accidental damage
- Water or liquid damage
- Unauthorized repairs or modifications
- Consumable wear and tear (battery degradation, cable wear)

- Misuse, negligence, or improper handling
-

2. Laptop FAQs

Q4. What is the difference between AeroBook and Titan Gaming series?

- **AeroBook Series:** Lightweight ultrabooks focused on portability and battery efficiency
 - **Titan Gaming Series:** High-performance laptops optimized for gaming and GPU-intensive tasks
 - **BusinessBook Series:** Productivity-focused systems with enhanced durability and extended warranty
-

Q5. Which laptop is best for students?

Recommended options:

- TechMart AeroBook 14 (₹64,999)
- TechMart BusinessBook B14 (₹74,999)

These models balance performance, portability, and battery life.

Q6. Which laptop is best for gaming?

- TechMart Titan Gaming G15
- TechMart Titan Gaming G17

These models are designed for high-performance gaming workloads and graphics-intensive applications.

Q7. What is the warranty on laptops?

- Most laptops: **24 months**
 - BusinessBook B14: **36 months extended warranty**
-

3. Smartphone FAQs

Q8. What are the differences between Nova models?

- **Nova X:** Balanced mid-range performance
- **Nova Pro:** Premium camera and performance upgrades

- **Nova Ultra:** Flagship-level processing and camera system
-

Q9. Do smartphones support warranty repairs?

Yes. All smartphones include **12-month manufacturer warranty**, covering hardware defects only.

Q10. Are accessories included with smartphones?

Standard accessories include:

- Charging cable
- Adapter (region-dependent)
- User manual

Earphones are not included by default.

4. Tablet FAQs

Q11. Which tablet is suitable for students?

- TechMart Tab Lite 10 is designed for education use, note-taking, and online classes.
-

Q12. Which tablet is for professionals?

- TechMart Tab Pro 12 supports multitasking, productivity apps, and stylus-based workflows.
-

Q13. Tablet warranty duration?

- Standard: **12 months**

5. Smartwatch FAQs

Q14. What is the difference between Pulse Fit and Pulse Pro?

- **Pulse Fit:** Basic fitness tracking (steps, heart rate, sleep tracking)
 - **Pulse Pro:** Advanced smartwatch features including app notifications, extended health tracking, and better display quality
-

Q15. Are smartwatches waterproof?

Both models are designed for **sweat and splash resistance**, suitable for workouts and daily use.

They are not intended for deep-water activities or prolonged submersion.

Q16. What is the warranty on smartwatches?

- Standard warranty: **12 months**
 - Covers manufacturing defects only
-

6. Audio Products FAQs

Q17. What is the difference between AirPods Lite and AirPods Pro?

- **AirPods Lite:** Basic TWS earbuds for casual listening
 - **AirPods Pro:** Includes ANC (Active Noise Cancellation) and improved sound quality
-

Q18. Is SoundMax 50 suitable for outdoor use?

Yes. It is a portable Bluetooth speaker designed for:

- Outdoor usage
 - Moderate water resistance (splash protection only)
 - High-volume audio output
-

Q19. Audio product warranty details?

- All audio products: **12 months warranty**
 - Covers manufacturing defects only
 - Charging damage or physical breakage is excluded
-

7. Accessories FAQs

Q20. Do chargers come with warranty?

Yes, except where specified:

- 65W Fast Charger: **6 months**
- 100W GaN Charger: **12 months**

Warranty covers internal electrical faults only.

Q21. Is laptop sleeve covered under warranty?

No. The **Laptop Sleeve has no warranty** as it is considered a protective consumable product.

Q22. Are USB cables and mice covered?

- USB-C Cable: 6 months warranty
 - Wireless Mouse: 12 months warranty
 - Mechanical Keyboard K1: 12 months warranty
-

8. Home Electronics FAQs

Q23. What products are included in home electronics?

- SmartCam S2 (Security Camera)
 - Home Hub (Smart control system)
 - Smart Plug (IoT power control device)
-

Q24. Do smart home devices require internet?

Yes. Most features require:

- Stable Wi-Fi connection
 - Mobile app integration
 - Cloud-based syncing (for SmartCam and Hub)
-

Q25. Home electronics warranty?

- SmartCam S2: 24 months
 - Home Hub: 24 months
 - Smart Plug: 12 months
-

9. Support & Troubleshooting FAQs

Q26. What should I do if my product stops working?

- Check user manual troubleshooting steps
- Restart or reset the device (if applicable)

- Contact customer support with model number and issue details
-

Q27. Can I get on-site service?

On-site service is available only for select categories such as:

- Home electronics
- Business laptops (in limited regions)

Other products may require service center visit.

Q28. How long does repair take?

- Standard repair time: **3–10 business days**
- Depends on part availability and issue complexity

10. Product Comparison FAQs

Q29. Which laptop should I choose for mixed use (study + light gaming)?

Recommended options:

- **TechMart AeroBook 14** → best for portability + daily use
- **TechMart AeroBook Pro 15** → better performance for multitasking

If gaming becomes a priority, Titan Gaming series is more suitable.

Q30. Which smartphone is best value for money?

- **Nova X:** best budget-to-performance balance
 - **Nova Pro:** best overall premium experience
 - **Nova Ultra:** best performance and camera, highest cost
-

Q31. What is the most powerful product in the lineup?

- **TechMart Titan Gaming G17** is the highest-performance device
It is designed for:
 - AAA gaming
 - Heavy rendering
 - Professional-grade workloads
-

11. Compatibility & Ecosystem FAQs

Q32. Do TechMart devices work together?

Yes. TechMart products are designed for partial ecosystem integration:

- Smartphones can connect to laptops for file transfer
 - Smartwatches sync with smartphones for health data
 - Smart home devices are controlled via mobile app
 - Audio devices connect across all Bluetooth-enabled products
-

Q33. Is there a single app for all devices?

Yes. Most smart products use a unified **TechMart Control App** for:

- Smart home devices
 - Smartwatch sync
 - Camera monitoring
 - Device settings management
-

12. Purchase & Delivery FAQs

Q34. How long does delivery take?

- Metro cities: 2–5 days
- Tier-2 / Tier-3 cities: 4–8 days
- Remote areas: up to 12 days

Delivery time depends on courier availability and location.

Q35. Can I change my address after placing an order?

- Yes, but only **before shipment dispatch**
 - Once shipped, address changes are not allowed
-

Q36. Do you offer COD (Cash on Delivery)?

COD availability depends on:

- Product value
- Location serviceability

- Payment risk verification

High-value items like gaming laptops may not support COD.

13. Returns & Replacement FAQs

Q37. Can I return a product if I don't like it?

Returns are allowed only if:

- Product is defective
- Wrong item is delivered
- Damage occurs during transit (reported within time window)

Change-of-mind returns are generally not supported.

Q38. What happens if I receive a damaged product?

- Report within 24–48 hours
 - Provide photo/video evidence
 - Replacement or refund is issued after verification
-

Q39. How is replacement different from refund?

- **Replacement:** same product is provided again
 - **Refund:** money is returned to original payment method
-

14. Final General FAQs

Q40. Are TechMart products suitable for professional use?

Yes. Especially:

- BusinessBook B14 (laptops)
 - Tab Pro 12 (tablets)
 - Titan Gaming series (high-performance workloads)
-

Q41. Do products receive software updates?

Yes, selected devices receive:

- Security updates

- Performance improvements
 - Feature enhancements (for smart devices and smartphones)
-

Q42. Who should I contact for support?

Customers can contact official TechMart support with:

- Order ID
- Product model
- Issue description
- Proof of purchase
